TASTE the GALILEE

In our store, "Taste of the Galilee," every product has a story, and behind every story is a dream. Behind every dream is a woman or a man who dreamed it.

During this time, more than ever, your support for local producers is deeply appreciated and never taken for granted. It makes a meaningful contribution to strengthening the economic and social resilience of the entire North.

In this catalog, we have created a selection of gift boxes for you, featuring high-quality, authentic products from the Galilee, made by local producers who live and work side by side every day.

And remember – when you support a small business, a real person does a little happy dance.

All proceeds from the purchase of these gift boxes go directly to the producers.
